

Las Chorreras

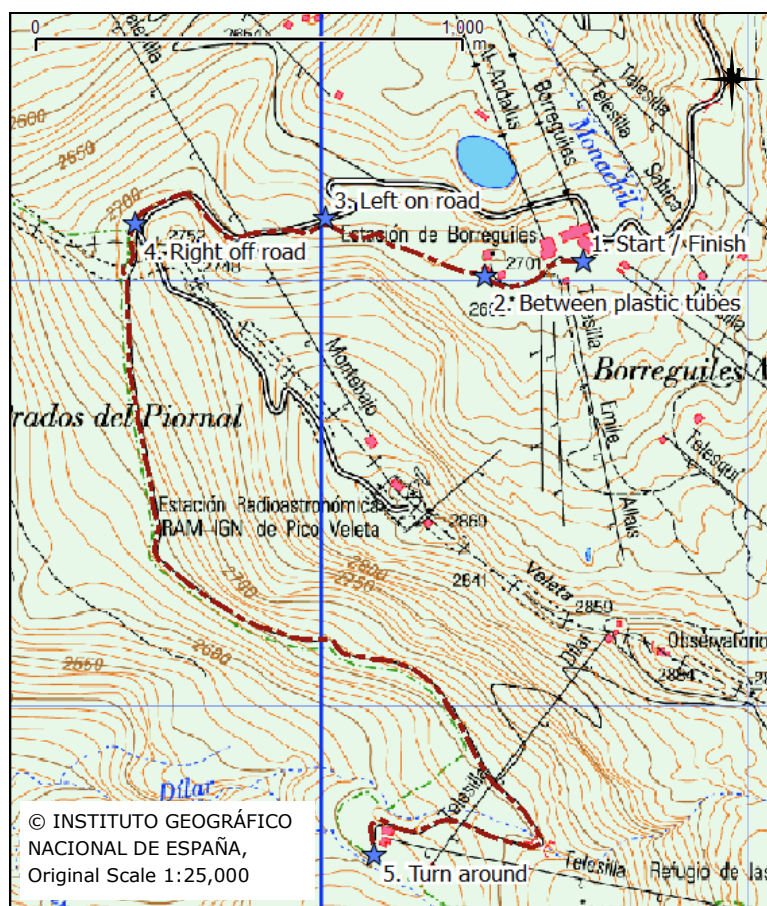

This walk starts from *Borreguiles*, at the top of the cable car. The first part of the walk isn't particularly attractive, as it goes through part of the ski resort. After that, however, the countryside becomes much prettier, and there are some great views. The last part of the walk takes you down into the Dilar valley. Here there are lots of small streams and some lush meadows that are perfect for a picnic.

Key Facts

Length	7.5 km
Time	2 h 30 min
Min/Max Altitude	2626 m / 2762 m
Accumulated height difference	306 m
Season	Summer

1. From the top of the cable car, turn right past the ski lifts.
2. Follow the arrow and continue between the beginners' ski lifts (large plastic tubes). Shortly afterwards, the track goes steeply down and then up.
3. When you reach an asphalt road, turn left.
4. After 500 m take the track to the right (marked with a post).
5. Follow this track for another 2.5 km, until you reach the bottom of another ski lift, and then turn around.

Getting there

By car: From Granada take the A-395 marked to Sierra Nevada. Park at the ski station and take the cable car and chairlift (see below).

By bus: From Granada bus station there is one bus a day to Sierra Nevada during the summer season. Leaves from Granada at 9am and returns from Sierra Nevada at 5pm.

Ski lifts: During July and August, the ski station runs a summer lift service using a cable car and one of the chairlifts. Runs continuously 10:00—18:00. Advance booking not required.
